

Un passo verso un futuro più verde e responsabile

OUR GREEN PROJECTS

A SUSTAINIBLE MISSION

Since 1961, OMSI has been committed to offering an efficient service worldwide with quality products that are also environmental friendly thanks to the achieved

**PSV - Plastic Second Life and
EPD - Environmental Product Declaration**

The company mission is infact to anticipate the market requirements, optimizing internal resources to fully satisfy customers, with the belief that an integrated system is the best way to achieve one's qualitative and environmental objectives.
