

APOLLO & SIGMA

APOLLO

La sedia APOLLO è la scelta ideale per chi, durante le interviste, desidera il top del comfort. Le sue forme la rendono avvolgente e comoda mentre la base con ruote girevoli le permette di essere operativa.

APOLLO chair is the perfect choice for those who, during interviews, want the ultimate in comfort. Its enveloping shape makes it comfortable although it is a task chair with base and castors.

MATERIALE / MATERIAL APOLLO-SIGMA:

Base a 5 razze e pompa a gas in metallo; carter sedile/schienale/poggia-testa in polipropilene (PP); imbottitura in poliuretano espanso; rivestimento imbottitura in similpelle. / 5 stars base and metal gas lift; polypropilene seat/back covers and headrest; polyurethane filling, covering in imitation leather.

ACCESSORI / ACCESSORIES APOLLO-SIGMA:

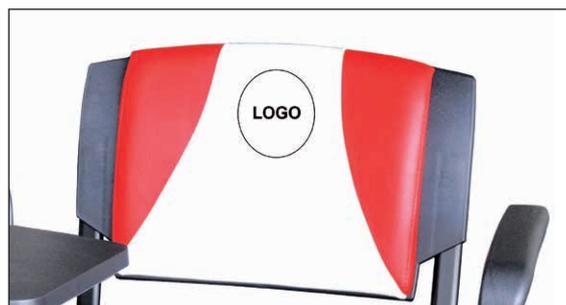

possibilità di cucire LOGO o SPONSOR sullo schienale. / Logo and Sponsor can be eventually sewed on the back.

SIGMA

La sedia SIGMA è il classico modello da conferenza: confortevole (grazie ai pannelli imbottiti in similpelle per sedile/schienale), leggera da trasportare, operativa (dotata di bracciolo porta tavoletta/scrittoio reclinabile per prendere comodamente appunti).

The SIGMA chair is the classic Conference chair: comfortable (thanks to its upholstered panels covered with imitation leather for seat and back), light to carry, operational (equipped with folding arm prearranged for writing tablet to provide maximum comfort when taking notes).
