essentiel

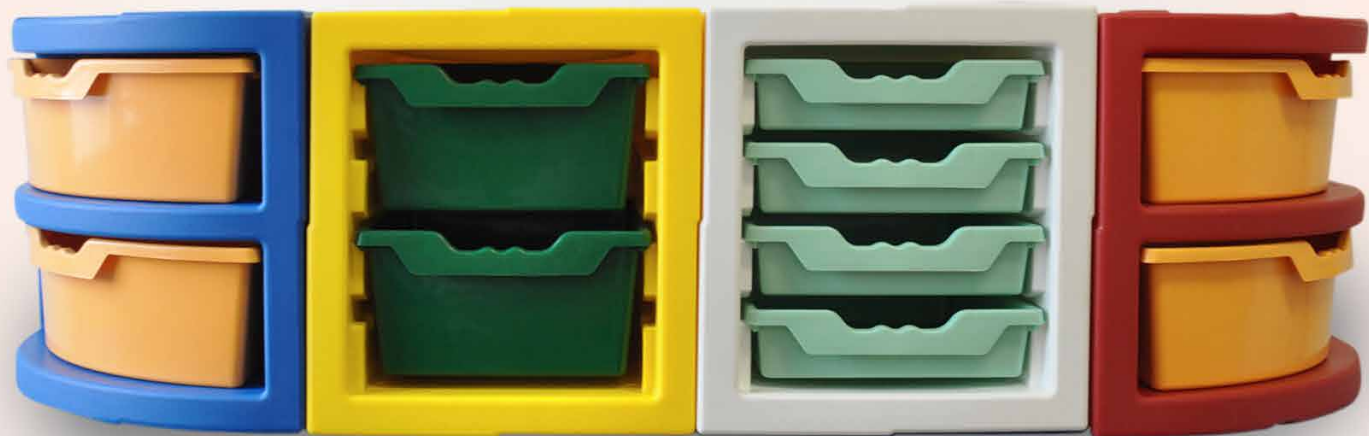

Per una organizzazione più definita ed efficiente degli spazi, in ambito domestico e scolastico, in modo particolare nelle scuole materne, CUBEAU design moderno, colorato e modulare può contenere tutta la gamma di vaschette portaoggetti OMSI.

For a more defined and efficient organization of spaces in the domestic and school environment, especially in kindergartens, CUBEAU colorful, versatile, with its modern design it is suitable to contain the whole range of OMSI storage trays.

Pour une organisation plus efficace et définie de les espaces domestiques et dans le milieu scolaire, en particulier pour les crèches CUBEAU, avec un design moderne, est coloré et modulaire et peut contenir tous la gamme OMSI des bacs de rangement

CUBEAU può essere un'originale alternativa al classico armadio in legno, si adatta facilmente a qualsiasi realtà e grazie alla sua composizione in moduli e alla sua versatilità si possono creare molteplici soluzioni di arredo:

- Colonna
- Mensola
- Divisorio
- Isola
- Seduta
- Pouf con cuscino
- Contenitore per giochi

È stato progettato con particolare attenzione alla sicurezza, infatti tutti i moduli sono fissati a parete e tra loro a mezzo di viti e le guide hanno un sistema di blocco; è atossico, robusto e riciclabile al 100%.

È caratterizzato da uno stile essenziale, pulito e compatto, le linee sono semplici e moderne, i bordi sono arrotondati ed è privo di spigoli, ampia scelta di colori e di combinazioni tra Cubeau e Vaschette.

Ideato per incoraggiare l'indipendenza dei bambini nell'organizzazione dei giocattoli o dei materiali scolastici.

***CUBEAU** can be an original alternative to the classic wooden cabinet, as it easily adapts to any reality and thanks to its composition in modules and its versatility it is possible to create multiple furnishing solutions:*

- Column
- Shelf
- Partition
- Island
- Seat
- Pouf with pillow
- Toys Box

It has been designed with special attention to safety, in fact all the modules are fixed to the wall and between them by means of screws and the guides have a locking system; It is non-toxic, robust and 100% recyclable.

It is characterized by a basic, clean and compact style, the lines are simple and modern, the edges are rounded to prevent any injury, available in a wide choice of colors and combinations between Cubeau and trays of several different sizes and shapes

Designed to encourage children's independence in the organization of toys or school supplies.

CUBEAU peut être une alternative originale à l'armoire en bois classique, il s'adapte facilement à toute réalité et grâce à sa composition en modules et sa polyvalence, on peut créer plusieurs solutions d'ameublement:

- Colonne
- Console
- Partition
- Île
- Siège
- Pouf avec oreiller
- Panier de rangement jouets

Il a été conçu avec une attention particulière à la sécurité, en effet tous les modules sont fixés au mur et entre eux au moyen de vis et les guides ont un système de verrouillage. Il est non-toxique, robuste et 100% recyclable.

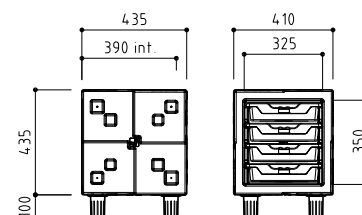

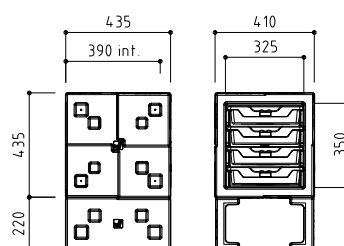

Il se caractérise par un style essentiel, propre et compact; les lignes sont simples et modernes, les bords sont arrondis et est dépourvue d'arêtes vives; large choix de couleurs et de combinaisons entre Cubeau et bacs.

Conçu pour encourager l'indépendance des enfants dans l'organisation des jouets ou des fournitures scolaires.
